CADET PRAYER

O GOD, our Father, Thou Searcher of men's hearts, help us to draw near to Thee in sincerity and truth. May our religion be filled with gladness and may our worship of Thee be natural.

Strengthen and increase our admiration for honest dealing and clean thinking, and suffer not our hatred of hypocrisy and pretense ever to diminish. Encourage us in our endeavor to live above the common level of life. Make us to choose the harder right instead of the easier wrong, and never to be content with a half truth when the whole can be won. Endow us with courage that is born of loyalty to all that is noble and worthy, that scorns to compromise with vice and injustice and knows no fear when truth and right are in jeopardy. Guard us against flippancy and irreverence in the sacred things of life. Grant us new ties of friendship and new opportunities of service. Kindle our hearts in fellowship with those of a cheerful countenance, and soften our hearts with sympathy for those who sorrow and suffer. May we find genuine pleasure in clean and wholesome mirth and feel inherent disgust for all coarse-minded humor. Help us in our work and in our play to keep ourselves physically strong, mentally awake, and morally straight, that we may the better maintain the honor of the Corps untarnished and unsullied, and acquit ourselves like men in our effort to realize the ideals of West Point in doing our duty to Thee and to our Country. All of which we ask in the name of the Great Friend and Master of men.—Amen.

By Representative Sackett—

HCR 2986—A concurrent resolution directing the state fire marshal and secretary of state to correct any deficiencies as to the fire safety of the state capitol building.

WHEREAS, certain fire prevention and fire safety standards are insured by periodic inspections of public buildings by the fire department and state fire marshal, and

WHEREAS, these safeguards should include such devices and provisions as fire extinguishers, fire hoses, fire axes, fire ladders, adequate fire exit facilities, red lighted fire "Exit" signs, fire escapes, alarm apparatus, and other safety devices, and

WHEREAS, the state capitol of Florida is deficient in almost all of these safeguards, and

WHEREAS, because of the deficient and dilapidated condition in our state capitol regarding fire equipment it is especially liable to fire and in being so endangers the life and property of everyone within the capitol, and

WHEREAS after close investigation of this capitol, there exist many fire hazards and dangerous conditions which demand emergency measures be taken to improve and establish fire safeguards that will assure the welfare of everyone within our capitol, and

WHEREAS, the tragic results of fire have been demonstrated by recent fires in Montgomery, Alabama, and Brussels, Belgium, which involved the death of forty-six people and over two hundred missing, and

WHEREAS, these tragic deaths could have been greatly reduced had there been adequate fire prevention measures taken and adequate fire equipment present at the time of the fire, and

WHEREAS, the potentiality of a few well placed incendiary efforts leave little to the imagination as to the horrendous results that would exist if a fire were to occur in our state capital, NOW, THEREFORE,

Be It Resolved by the House of Representatives of the State of Florida, the Senate Concurring:

That the Florida legislature hereby directs that the state fire marshal and the secretary of state take immediate steps over the four-day recess to afford to the occupants and visitors to the state capitol building the usual fire safety assurances rendered to the occupants of other public buildings.

BE IT FURTHER RESOLVED that the necessary funds to correct deficiencies in fire safeguards be provided from funds appropriated to the office of the secretary of state.
